Nick Capola Passed Away Monday

Nick Capola of Coleman, passed away in the C. N. P. hospital on Monday evening. Mr. Capola was injured in a mine accident on May 18. He was employed by the Coleman Collieries as a haulage worker and was working at the Vicary Creek mine at the cut side dump.

Mr. Capola was 37 years of age and was born in Tellaro, Calabria, Italy, in Dec. 1923. He came to Canada in 1949 and was employed by Coleman Collieries Ltd., where he worked until the time of his death. He was a member of the Italian Society and of the Catholic Faith.

He is survived by his wife, Florence and three daughters Cathy 8, Bruna 5 and Mary Anne 3; his parents Mr. and Mrs. Joseph Capola and a number of brothers and sisters in Italy and by three brothers, John, Tony and Santo in Gassiar, B.C.

Funeral services and date have not yet been set. Hall's Funeral Service Ltd. of Blairmore are in charge of arrangements.

Motordrome Garage Changes Hands

Rudy Yeliga has taken over the Motordrome Garage in Coleman, formerly occupied by Fred Andriksak Body Shop.

Mr. Andriksak will move back to his former premises on Second Ave. where he will continue his business.

Mr. Yeliga, who formerly operated Rudy's Shoe Store and Sporting Goods, officially opened for business on Saturday, May 21st.

He plans to handle tire sales and service, gas and oil sales and garage jobs, also storage of vehicles.

Safety and first aid requirements peculiar to oil field truck operations were discussed in a recent week-long clinic held at Edmonton. The clinic, jointly sponsored by the Alberta Workmen's Compensation Board and the Alberta Motor Transport Association, was attended by 72 drivers from the Edmonton area. A similar clinic was recently held at Calgary.

A considerable portion of the time was devoted to practical first aid instruction by Safety Supervisors of the Workmen's Compensation Board.

A particular hazard to anyone working near an oil drilling site is the presence of hydrogen sulphide gas. The vapor, which has a characteristic "rotten egg" odor, is deadly

St. Paul's United Church Celebrates 56th Anniversary

GRADUATION PROM PROVES ENJOYABLE AFFAIR

The Coleman high school held its annual prom and graduation party Friday evening.

For the occasion a banquet supper, catered to by the Ladies of the Coleman Royal Purple was held in the Elks hall. Chairman of the banquet was Tom Bubniak, who ably conducted the parent-student banquet.

Following Grace, said by Don DeCicco, a toast was proposed to the Queen by John Michalski and to the teaching staff by Cynthia Bond, and responded to by Principal Horace Allen.

Mrs. Stevanne Miraz proposed the toast to the Coleman School Board to which her father, Steve Miraz, chairman of the board, responded.

The manse for the church was dedicated on Sunday, April 1, 1905, with the Rev Alex Dunn of Foothills, B.C. being the preacher at the altar which was to be ordained as a minister on May 31st.

Following the Sunday evening service a friendly hour was enjoyed

in the church supper room on Monday evening, May 22 from 5 to 7 p.m.

Records show that actual construction of the church began in the late fall of 1905 and that the church was dedicated on Sunday,

April 1, 1905, with the Rev Alex Dunn of Foothills, B.C. being the preacher at the altar which was to be ordained as a minister on May 31st.

On October 23, 1906, the church choir rooms were opened and held their first rehearsal. The manse for the church was built and completed in the spring of 1907.

Of interest is the fact that Dr C. W. Gordon (Ralph Conno, well known author) contributed the sum of \$500 for a reading and recreation room for the church.

Among those residents still living in Coleman, who assisted with the construction of the church in 1905 are Ed A-h and Joe Platine.

The first minister to take over the new church was the Rev. T. M. Murray, who moved from Frank in the spring of 1906 and lived in a rented house on Main Street until the manse was finished in the spring of 1907. In charge of Coleman and Hintersee United Churches today is Rev. Rod MacAulay.

Curlers Enjoy Wind-up Dance

The Coleman Curling Club wound up a successful season at a social affair held in the Elks hall, Coleman, on Saturday, May 14.

After a buffet lunch was enjoyed executive member Roy Upton expressed the thanks of the club to all those persons who assisted in any way in helping the club with the installation and costs of the new artificial ice plant that was installed in the curling rink last fall and to those persons who purchased bonds to help with the cost of the plant.

President Chuck Boughead also expressed thanks to all who had assisted in any way in the installation of the plant and in making the season a success it proved to be.

Prizes were then presented to the winning rinks in the club's spud. Eugene Fabro called upon the Ron Collins ring comprising Dan Filatillo, Alas Krywolt and Donald Filatillo, and presented the skip with the McGilvray Cup.

George Jenkins called upon the Joe Troiz rink, comprising Lorne Ferschweiler, Jim Duncan and Magnus Juhlin and presented the skip with the Merchants' Cup.

Dr. Emil Aiello called upon Angelo Gentile—rink comprising Bill Howan, Gordon Fisher and Gerald Gentile, and presented the skip with the Freewain Cup.

Following the presentations the club enjoyed an evening of dancing with music supplied by Pavlus orchestra comprising Joe Pavlus, Bill Goodwin, Mrs. Eleanor Duncan, Isabel Spivak of Grande Prairie, and George Vincent of Picture Butte.

Firemen To Hold Tag Day

Coleman Fire Brigade will start this week on the annual sale of their booster tags to raise funds to defray the expense of the annual Hose Coupling Competition held in Coleman on July 1st.

Draw on the sale of the booster tickets will be made on July 1st and prize to the winner will be a new Toaster R. Oven.

The firemen are making plans for a bigger and better day of events than have yet been held.

It is expected that teams from all over Alberta, British Columbia and Montana will again take part in this annual affair.

Plans for various events for the day are being made but will be announced when completed.

The first safety clinic for oil field haulers was conducted in 1958 and since 1959 has been under the direction of the Workmen's Compensation Board. The attendance this year was the highest of all clinics.

in very minute quantities. The proper method of rescuing and reviving a person exposed to the gas was demonstrated by first aid instructors and safety equipment handling. These included a hi-boy loading demonstration and instruction in the use of a gin pole. The Supervisor of the Electrical Protection Branch of the Department of Labour discussed power line hazards.

Certificates of attendance were presented to the oil field truckers upon completion of the clinic.

Scouts Attend Camporee

Twenty members of Coleman Rangers Boy Scout Troop and Scoutmaster Mel Dunford enjoyed a Camporee at Banff along with Troops from the surrounding areas. Michael Clark, son of Mr. and Mrs. H. Wilton Clark of Calgary, accompanied the Troop and assisted the Scoutmaster. Assisting the boys with transportation were Father Fleming, Allister MacQuarrie, Arnaldo DeLuca, H. Zak, jr. and Jack Colwell.

Attending the affair were: Scoutmaster Mel Dunford, R. Ingram, S. Root, Brian Zak, B. Boulton, A. Szymaneck, K. Murdoch, A. Pawluk, R. Vener, H. Taggart, R. Fabro, J. Kapalka, D. Maione, J. Aiello, E. Taje, R. Ferschweiler, Ken Liddell, P. Clary, J. Montebetti, D. Fleming and M. MacQuarrie.

Father Fleming Recipient of Gift

Father Denis Fleming of Holy Ghost Catholic Church in Coleman, was presented with an anniversary cake by Mrs. Anne J. Gibbs, president of the Coleman Catholic Women's League, at a banquet in the Catholic hall Sunday.

The presentation of a cake and cheque was made to Father Fleming to mark the eighth anniversary of his joining the priesthood. Seven of these eight years have been spent in Coleman.

The presentation was made at the conclusion of a banquet held in the Coleman Catholic hall where over 300 adults and 105 children enjoyed a supper following confirmation services held in the Holy Ghost Church where 102 young people were confirmed.

The confirmation services were conducted by His Excellency Bishop Carroll, assisted by his Secretary, Father R. Lowing, Father Fleming of Coleman, Father Henke of Bellevue and Dean Tessier of Blairmore.

Similar services were held in St. Anne's Catholic Church in Blairmore on Sunday morning when over 40 young people were confirmed and at St. Theresa's Church in Bellevue on Monday evening when over 40 children were confirmed, and at St. Cyril's, Hillcrest, Monday afternoon when 14 young people received their confirmation.

There is no patent medicine or wonder cure-all for cancer. Consult your doctor at the first sign of this disease and receive the advantages of modern medical treatment, advises the Canadian Cancer Society.

Coleman Fire Brigade have added to their equipment this week by having installed a pump on the front of their fire engine and also a six hundred gallon tank with pump on the truck itself.

The truck was taken to a Saskatchewan firm by Ernie Montebetti of Coleman, to have equipment installed. The truck has been painted silver and red.

The new pump installed on the front of the truck can be used to boost pressure or to draw water from wells or rivers in areas where hydrants or water lines are nonexistent. The 600 gallon tank equipped with a top mounted pump on top with one inch hose can be used for fighting grass fires in out of the way places as well as fires in areas not serviced with water lines. The firemen plan to try out and test the new equipment this week.

Prizes were then presented to the winning rinks in the club's spud. Eugene Fabro called upon the Ron Collins ring comprising Dan Filatillo, Alas Krywolt and Donald Filatillo, and presented the skip with the McGilvray Cup.

Parents' Night Held By Scouts And Cubs

The second annual Cub and Scout Parents' Night was held in the Elks hall on Saturday, May 7th at 7:30 p.m.

The evening commenced with a turkey banquet, provided by the Group committee and served by the Goodwill W. A. of United Church.

The tables were decorated with place mats, serviettes and flags in the Boy Scout motif.

Group committee chairman John Salus, introduced those seated at the head table—Mr. Richard Clarke, Field Commissioner for South Alberta and Mrs. Clarke; Mr. Tom Pratt, Assistant Field Commissioner; Mr. C. Weeks, District Commissioner and Mrs. Weeks; Leon President; Ted Kryszka, and Mrs. Kryszka; Mayor Frank Abousayyad and Mrs. Abousayyad, Mr. Andy Russel and Mrs. John Salus, Mr. and Mrs. D. B. Young, Mr. and Mrs. A. E. Graham, Scout and Cub Masters were also introduced to the 150 people present for the event.

Following the singing of O Canada, played by Scout Kenneth Murdoch, Grace was said by Scout John Kapalka. A toast to the Queen was given by Scout Paul Clary a toast to Scouting by Lion Arthur Graham and responded to by Tom Pratt. Mr. Weeks introduced Field Commissioner Clarke who gave the boys an inspiring talk and told many stories of camps and jamborees.

Scouter M. Dunford then introduced Mr. A. Russell, who is a naturalist, photographer, guide and writer, who showed fascinating color movies of wildlife and scenery around Waterton Lakes, the Flathead country and the Yukon.

His vivid commentary provided an educational and entertaining program for all.

Scouter Ed Howard's Cub pack gave a history of the flags with each boy taking part.

Scout F. DeCicco's Cub pack gave a demonstration of the knots and their program in general.

Scout Malcolm MacQuarrie then called on Scoutmaster M. Dunford and presented him with a gift on behalf of the Scout troop.

The First Coleman Rangers Scout troop then displayed the type of entertainment each patrol is expected to provide at a camp fire when out camping.

Patrols led by Scouts P. Clary, Jim Montebetti, R. Ferschweiler and M. MacQuarrie each put on a short skit.

Troop Leader Bob Liddell then presented the Honor patrol for 1959-1960 season with the Honor Patrol flag and a complete camp kit on behalf of the Group committee.

Malcolm MacQuarrie, patrol leader, accepted the flag and prize on behalf of the Lion patrol — Randy Fabro, second S. Root, D. Maior and K. Murdoch.

God Save the Queen was then played by Scout Jim Montebetti.

Fire losses in the Province as a result of grass and stubble fires burning out of control have totalled several thousand dollars in recent weeks, according to A. E. Bridges, Alberta Fire Commissioner.

A rural church valued at \$10,000 was destroyed by a stubble blaze at Linaria. The prairie fire was uncontrollable and raged a quarter mile in one hour, to consume the building.

The day previous, a grass fire burned the Grace Children's Home at Dinsdale near Grande Prairie.

In 1959 a grass fire touched off

by a spark from a shaving burner threatened a large lumber yard and mill at Rocky Mountain House and resulted in loss of \$92,000.

Mr. Bridges commends the fire departments throughout the Province who have developed a safe and sure program of spring clean-up and trash disposal. The co-operation of the public, however, is the greatest deterrent to the annual loss.

The grass fire started on a calm day may suddenly become a threat if the wind should change, or if a proper fire break and extinguishing equipment is not available.

Commissioner Bridges recommends that all persons intending to burn grass or stubble to check with the local fire authorities before starting, to keep plenty of water and wet sacks handy, and to provide an adequate fire break. The evening is the best time for burning grass as there is less chance of wind.

The Fire Commissioner's Office cautions citizens from leaving grass or stubble fires which are not properly extinguished.

Shown above are the remains of a church recently consumed by an uncontrolled stubble fire.

DRIVE TO HIT AT FAULTY VEHICLES...

The car with the faulty brakes, lights, signals, steering, exhaust, wipers, horn, tires or mirrors is the target of a road safety campaign to be conducted across Canada throughout May. Sponsored nationally by the Canadian Highway Safety Council, the drive will go by the slogan-title, "Check Your Car, Check Your Truck, Prevent Accidents", and is to have all-out support from provincial safety groups and the automobile, oil, tire and other industries.

The drive is organized by the Council's committee on vehicle safety. With national co-ordination by CHSC, the promotion will have two main power sources — industries through dealers, and provincial organizations through community safety councils.

Strong additional support will come from police who, in some areas, will conduct spot checks of vehicles on the highway.

"The campaign will harness the trained services of garages, service stations and automobile dealers to induce the motorist and the commercial driver not to postpone those necessary repairs which mean safe, confident, resourceful driving," said W. Arch. Bryce, executive director of the Council.

LEARN THE RULES OF WATER SAFETY...

During the coming holiday week-ends it is safe to predict that some Albertan will make the headlines as a drowning fatality — With an increasing number of Canadians 'taking to the water' for recreational activity during the summer months drowning tragedies are vieing with highway casualties for the front pages of our newspapers.

More and more, boating is becoming a pleasurable pastime for holiday-goers in Alberta — A pastime that is resulting in costly loss of life. Last year boating accidents took the lives of 15 Albertans. Most of these victims drowned during two holiday week-ends. Most of these tragedies could have been averted if the victims had learned and practised the rules of water safety.

Red Cross Water Safety officials urge all holiday-goers to be "Water Wise" this summer and list the following rules to ensure "Fun Without Fatalities".

For Safe Boating ...

Don't go out in small boats unless you are a strong swimmer or are wearing a life jacket; Don't overload boats; Don't use a boat that is not seaworthy; Don't go boating in stormy weather; Don't stand up in a boat or canoe; Don't change places in a small boat; Don't leave boat if it capsizes, cling to it until rescued; Don't shoot rapids; Don't use home-made rafts or logs as boats; Don't endanger your life and that of your passengers by "Show-off" tactics.

For Safe Swimming ...

Don't swim alone; Don't swim at unsupervised swimming places; Don't dive into unknown waters; Don't swim for at least two hours after eating; Don't swim when over-heated; Don't swim when over-tired; Don't swim too far from shore; Don't swim after dark unless familiar with swimming area; Don't "duck" or push bathers into water...

Playfulness May Cost a Life!

Forest Conservation Week, May 21 - 28

During the past number of years a week in May has been observed as Forest Conservation Week. This provides the opportunity to focus public attention on the importance of our forest resources and the need for every person who uses them for pleasure or profit to take a personal interest and responsibility in helping to protect them from fire.

While we realize that many weeks have been set aside to mark a variety of activities, it would seem that giving some thought to our forests at a time of year when thousands of our citizens are looking forward to their holiday enjoyment in them, is most appropriate.

Approximately one-half of the land area of Alberta, Manitoba and Saskatchewan is covered with trees.

The forest industry provides work and wages from a harvest that supplies us with lumber, fuel, fence posts, plywood, pulp, paper, and the countless by-products of wood. Living and growing, our forests form our watersheds, governing stream flow for hydro-electric power, irrigation, sport fishing and the water we drink. They protect farm soil in conserving moisture and providing protection from erosion. They are the home of our wildlife and the background of our recreation and the growing tourist industry.

We could not live without trees, yet we are in danger of losing our forests through the carelessness of people—people who each year are responsible for 85% of all forest fires. Eliminate the man-caused fires and the blessings from our forests are assured us and our children.

A Salute to Alberta's Scottish-Born Pioneers

Piping ashore Saskatchewan River fur brigades at Fort Edmonton - about 1840.

Historical data by courtesy of
The Glenbow Foundation.

Foremost among many nationalities whose colorful history and significant accomplishment has added lustre and character to the tapestry of Alberta's development are the Scots. Proud, rugged, fearless, these men brought the advance guard of civilization to the land at the foot of the mountains as early as the 1700's, as explorers and fur traders.

Beside the river highways on which they penetrated the wilderness, they established their trading posts: Fort Edmonton, Rocky Mountain House, Fort Dunvegan, Qu'Appelle House, Vermilion, Assiniboine, White Earth, Jasper House, and a dozen others. Here, proudly retaining the dress, language and customs of their native Scotland, they worked—alone and lonely—in the new North West, to build the beginning of a way of life we enjoy today.

The Calgary Brewing and Malting Co. Ltd.—itself a pioneer in Alberta—is proud to salute the first Alberta pioneers, the Scottish explorers and fur traders.

ALWAYS OPEN TO THOSE IN NEED

The Salvation Army Red Shield Appeal

The Salvation Army's annual Red Shield Appeal will be held during the month of May, commencing on Monday, May 2nd. The National objective is \$2,395,000.00 this year, and this will make the continuance of Salvation Army services in the community possible for the next year. This amount must be realized to meet the operating deficit on the Army's social service institutions caring for all kinds of human need, and sheltering thousands of less fortunate Canadians.

Every dollar is a working dollar! Dollars given to the Salvation Army are a sacred trust, to be used for the relief of suffering and the reclamation of human lives.

Contributors to the current Red Shield Appeal may be sure the Salvation Army spends money where it will do the most good. In the Army's hostels, havens, homes and hospitals, its trained and devoted workers labour unceasingly to restore to men, women and children who have fallen by the wayside, the opportunity and desire for upright, self-reliant living.

Because of the dedicated lives of Salvation Army Officers, costs of administration are kept to a minimum. To the broken and despairing they offer not bread alone, but the message of divine Grace which transforms human lives.

With your aid the "Door to Help and Hope" on all fronts of human need may be kept open, with not one cent wasted!

Our friends are reminded that the social services of the Salvation Army are motivated by the high spiritual ideals that underlie all of its activities. The assistance given by the Organization daily in Canada runs into thousands of acts for individuals across our fair land. The individual is helped—the community benefits—and thus the country as a whole benefits from the untiring efforts of the Army which still maintains its time-worn slogan "A man may be down but never out!"

An effort is being made to canvass every one, but if by some chance you might be missed, or may prefer to mail your donation, it may be mailed to The Salvation Army, P. O. Box 23, Fort Macleod, Alta. Official

receipt for income tax purposes will be mailed by return mail.

Coleman Couple Wed

A quiet wedding was solemnized in Coleman at the home of Mrs. Beatrice Jones on Sat., May 21, when Mrs. Jones became the bride of William Milley. The ceremony was performed by the Rev. Rod MacAuley of St. Paul's United Church.

The bride was given in marriage by her son Owen Jones of Coleman, while her son Jack Jones of Creston, B. C. acted as best man for the occasion. Matron of honor was Mrs. J. (Myrtle) Jones and ring bearer was Miss Kenna Jones, daughter of Mr. and Mrs. J. Jones.

Following the wedding a reception was held at the Jones home attended by relatives. The couple will continue to reside in Coleman.

Cribbage Tournament

Are you a cribbage player? The Holy Name Society would like to receive entries for a cribbage tournament to be held Monday, May 3rd, to name the champion cribbage player of this area.

Present plans call for limited entry of 128 players so it is suggested that you place your entry with any member of the Holy Name Society of Coleman at once.

\$4,500,000

The Tourist industry is vitally important to everyone.

It does not compete with our labor or deplete our natural resources. The tourist dollar is earned elsewhere, and brought to Alberta improving our economy immeasurably, benefiting food producers, farmers and processors, manufacturers and retailers, transportation companies, and dispensers of goods and services of all kinds.

LET'S CLEAN UP!

- We can help ourselves to more tourist business by keeping our homes, business and public places attractive.
- Being friendly and obliging. Encourage tourists to stay a day or two longer. Every community has something of interest to tourists.
- Be an information bureau. Suggest things to see and do, and make it your business to see that tourists enjoy themselves thoroughly.
